1. Continuation of Review of Draft Papers for EDAC Consideration
(Pursuant to Work Program Paragraph 9)

A. Final Executive Committee approval was given for transmission of the following papers to EDAC:

- (1) "Control Criteria", Tab A to EDAC D-140
- (2) "COCOM Administrative Principles", Tab B to EDAC D-140
- (3) "Changed Concepts for International List II and International List III", Tab C to EDAC D-140
- (4) The Chairman's draft memorandum to EDAC (EDAC D-140) transmitting the first three papers above, citing references, and requesting EDAC action on the alternatives recommended therein.

B. The Executive Committee also considered, and approved as revised, the Chairman's draft memorandum to the EDAC Chairman on "International Trade Control Crisis", being a paper on the current conditions in COCOM and the debilitating effect on the international control system (EDAC D-141).
